

Instructions

Complete only Part I of this application. Do not write in Parts II, III or IV.

General Information

Public Law 101-249, as amended, provides that an alien or non-citizen national of the United States who dies as a result of injury or disease incurred by active duty with the U.S. Armed Forces during specified periods of military hostilities may be granted United States citizenship. If the application is approved, a Certificate of Citizenship (N-645) will be issued in the name of the decedent (the deceased veteran). The certificate establishes that the decedent is considered a citizen of the United States as of the date of his or her death. Posthumous citizenship is an honorary status commemorating the bravery and sacrifices of the veteran; it conveys no benefit under the immigration and nationality laws to any relative of the decedent.

Who Is Eligible for Posthumous Citizenship?

To qualify for Posthumous Citizenship, the decedent must have been an alien or non-citizen national of the United States who:

- (1) served honorably in an active-duty status in the military, air or naval forces of the United States during:
 - (a) 04/06/1917 - 11/11/1918 (World War I); or
 - (b) 09/01/1939 - 12/31/1946 (World War II); or
 - (c) 06/25/1950 - 07/01/1955 (Korean Hostilities); or

 - (e) 08/02/1990 - 04/11/1991 (Persian Gulf Conflict); or
 - (f) from 09/11/2001 until terminated by Executive Order of the President; or
 - (g) any other period of military hostilities designated by Executive Order of the President for the purpose of naturalization benefits; or
 - (h) a period of at least five years following enlistment or reenlistment in the U.S. Army under the Lodge Act of June 30, 1950; and who:
- (2) died because of injury or disease incurred in or aggravated by that service; and
- (3) met one of the following enlistment requirements:
 - (a) was enlisted, reenlisted, or inducted in the United States, Panama Canal Zone, American Samoa, or Swain's Island; or
 - (b) was admitted to the United States as a lawful permanent resident at any time; or
 - (c) if a person described in (1)(f) above, entered the United States, Panama Canal Zone, American Samoa, or Swain's Island pursuant to military orders at some time during such service.
